First Name: Queensland
Last Name: Marine Centre
About me: Queensland Marine Centre began life in 1996 as 'Sea Ray Queensland', when Andrew Bennett, Dealer Principal, commenced importing Sea Ray Boats into Australia. First Sanctuary Cove followed by Marina Mirage, housed the beginnings of Sea Ray Boats on the Gold Coast. The Sea Ray business soon outgrew both of these premises and with the addition of the Boston Whaler Dealership a greater and much larger arena was needed to service and support our growing number of clients.
