Vessel Information

Description: PRICE SLASHED TO SELL - 2005 Model, 57 Williams Custom Coastal cruiser is the best entertainer we have stepped aboard with full offshore capabilities with spent months out on the reef enjoyed by her owner. The 5m beam makes her extremely stable with enormous deck space in the cockpit, also on the flybridge. The photos of this vessel do not do justice to the room, layout, it she simply must be inspected to be appreciated. Specifically built for extended trips away, everything has been oversized with a very impressive inventory. The extended teak laid duckboard & cockpit provide the ultimate playground for entertaining with blue light to set the mood, stainless steel rail with BBQ, bait board & tender ramp. The cockpit has a 6 person dining setting with a huge sliding door in to the saloon. Once inside it is like an apartment, the galley has all domestic size appliances, is extremely large, with a side leather lounge portside. All this plus a separate dining area, two bedroom and two bathrooms forward. The flybridge is like something off a super yacht, a huge daybed at the rear, dining area, 2 x bar fridges, bar, BBQ and sink, lounge and helm forward with an array of electronics. Powered by twin 370hp Cummins and 13.5kva Onan genset, impressive!!
