## Vessel Information

Description: The spirit of the Mediterranean exists in every square inch of this perfectly formed Targa. In its open form, with the canvas roof retracted, there is a true sense of freedom that continues out onto the cockpit with its large, inviting sunpad. There's space, and lots of it. Beautifully considered sociable areas, luxurious and stunning in their simplicity. The cabin layout features a fabulous mid master with an optional sofa that converts into an additional bed, there's a forward double cabin that can convert to a V-berth and the option of a third cabin in lieu of a dinette. The perfectly formed galley enjoys a tall fridge/freezer and pull out larder. Large panoramic windows add to the sense of light and space in the generously well appointed saloon. Moving out onto the cockpit you can take a seat or stretch out on the large sunpad, with the luxury of being able to control how much sunlight you get by simply activating the powered retractable cockpit cover. The integral garage is home for the optional jet tender and the option list extends to a hydraulic passerelle and a submersible powered bathing platform.

Add sparkling performance and exceptional manoeuvrability thanks to its Volvo Penta IPS with joystick control, and you have at your command one of the most exciting sports cruisers on the water. For full options and pricing please contact Leigh Smith Yachts 07 55 77 9200
