Vessel Information

Description: The Ocean Alexander 90 feels almost native to the water. Her graceful being and hushed opulence are the first things that you notice. Lingering behind her obvious splendor is over 30 years of hard driving, daring Ocean Alexander obsession. Our unwavering fixation with hydrodynamic science, naval design, refinement, craftsmanship and technological advancement has given her something hard to quantify in mere measurements and specifications. Her interior design is flawless and full height windows opening the view to megayacht proportions, with luxurious decor to accommodate her eight guests. The 90 is where consummate fact meets indefinable attraction and you become the master of both.

Please note: We are the official Ocean Alexander dealer for Australia & New Zealand. As such we benefit from superior product knowledge and the ongoing resources of the Ocean Alexander factory and production staff. Buy your next Ocean Alexander vessel with utmost confidence via our office.
