Vessel Information

Description: Integrity Motor Yachts is proud to release the very first 490 Grand Sedan. Inspired by owner feedback, the Grand Sedan offers a little more refinement and a touch more performance for those looking for just a little bit extra in their motor yacht. A refined interior saloon and helm layout adjoins the customary entertainers galley and rear deck, with a new accommodation layout offering a stately walk-around bed, with the forward guest cabin available in different layout options. If its additional performance you need, the upgraded standard engine and streamlined hull design means the 490GS will easily achieve 15 knots. The 490 Grand Sedan, another grand idea from Australia's leading displacement motor yacht brand.
