## Vessel Information

Description: The Integrity Motor Yachts range features classic stylish lines, teamed with all-round functional use of space, comfortable entertainers layout with proven sea-keeping. The tried and tested John Deere single engines offer exceptional performance, with bow and stern thruster offering finger tip control. Interior design changes now provide more cabin space with separate shower and toilet and a hull design that ensures minimal water slap for restful sleep. Wide side decks provide safe access to all areas and simple easy access when berthing. Without a doubt the saloon and aft galley flowing through the hopper window and door to a spacious comfortable cockpit with table and wrap around padded seating is the highlight, with gentle sloping ladder access to the flybridge helm and elevated entertaining platform. Call today for more information on this class leading, tried and tested premium displacement cruiser.
