Vessel Information

Description: The 2005 Model Azimut 68S "FOUR SEAS" has undergone an extensive refit in 2019/2023, bringing it to the highest standards and ready for its next owner to enjoy. This yacht is built for luxury and entertaining, featuring an open-plan, single-level layout with a six-person daybed, teak decks, and a wet bar with an ice maker and bar fridge. Sliding doors lead into the saloon, which offers seating for ten on beautiful lounges, a TV with electronic up/down actuator, surround sound stereo, and a hydraulic sky roof for an airy, open feel.

The forward helm station is equipped with new Garmin electronics, helm chairs, and a custom reconfigured dash for the ultimate driving experience with 360 degree vision, making it feel like driving a sports car on the water. The three-cabin layout accommodates six guests, including a forward VIP cabin with an ensuite, midship side-by-side single beds, and a full-beam midship stateroom with a lounge/dinette, surround sound stereo, LED smart TV, full-length cupboards, and a spacious ensuite comparable to those on 100ft vessels.

Powered by twin MAN V12 1300hp engines, "FOUR SEAS" cruises at 24 knots and reaches a top speed of 34 knots. Recent maintenance includes a full saltwater service, main engine service, antifoul,

and detailing, ensuring the vessel is in immaculate condition. The yacht's advanced hull design provides excellent offshore capabilities, and it has been extensively cruised throughout the Whitsundays. Bow and stern thrusters, controlled through the Yacht Controller, makes berthing easy.

Refit upgrades includes -

- NEW external upholstery to day bed and lounge/ dinette
