Vessel Information

Description: 2002 Riviera M430 Sports Cruiser

Discover the exceptional value of this 2002 Riviera M430 Sports Cruiser, a proven performer that perfectly blends offshore capability with effortless entertaining. Having just completed major servicing, antifoul and prop speed (February 2026), she has returned to the water refreshed, detailed, and ready for immediate enjoyment.

Spacious & Versatile Accommodation

Designed with comfort in mind, the M430 offers a generous two-cabin layout ideal for family cruising or weekends away with friends.

The forward master stateroom features a shared ensuite and is a comfortable retreat for owners. Aft, the guest cabin is thoughtfully configured with a large double and single berth, allowing accommodation for up to five guests in total. The layout is practical, spacious, and perfectly suited for extended stays onboard.

Designed for Comfortable Living

Step down into the well-appointed galley, featuring a microwave, cooktop, fridge/freezer, and ample cupboard space. Forward, the saloon offers comfortable U-shaped seating with a table for up to

six, creating the perfect space to relax and enjoy a meal onboard.

Entertainer's Cockpit

The open cockpit is where this Riviera truly shines. Finished in a two-tone Riviera branded upholstery, the space flows seamlessly toward the transom, creating a social and inviting atmosphere.

Features include:

- GME sound system
- Wet bar
- Two additional cockpit fridges

Whether you're hosting sunset drinks, enjoying a day at anchor, or heading offshore, the M430 delivers the perfect platform.

Forward, the bow sunbed provides an additional entertaining zone — an ideal space to stretch out and enjoy the open air.

Helm & Handling

The helm station has been upgraded with a new Garmin 8" touchscreen, offering modern navigation capability and ease of use. A bow thruster further enhances manoeuvrability, making docking and tight marina berthing straightforward and stress-free.

Performance & Power

Powered by twin Mercruiser 496 HO stern drives, this M430 cruises comfortably at approximately 24 knots, with a top speed in excess of 32 knots. Reliable and responsive, she delivers the

performance Riviera owners expect.

An Onan 6kVa diesel generator ensures ample 240v power onboard, supporting extended stays away from the dock.

Turnkey & Ready

Fresh from:

- Full engine + generator servicing
- Antifoul
- Prop speed
- Complete cut and polish to hull and topsides

This vessel presents in good condition and is turnkey ready for her next owner.

Opportunities to secure a well-maintained, freshly serviced Riviera M430 are always sought after.
