Vessel Information

Description: Integrity 350 MK2 2011

This lovely long-range cruiser has been upgraded extensively by experienced owner. An ex-yachtsman with considerable ocean crossing experience. Who has endeavoured to replicate the self-sufficiency of an ocean-going yacht. With full walk round side decks and solid rail she is a very safe platform. She has extensive list of new equipment Including Bow and Stern Thrusters, GenSet, water Maker, Invertor and more.

Only the 3rd owner from new, she is in excellent condition. Very economical to run and maintain, typically using 10/11 litres per hour at a cruising speed of 7 knots.

With many little but important improvements as well as all the new gear. This great value boat shouldn't be passed with out a look. Lying at Yamba.

Genuine reason for sale.

Will consider any reasonable offers.

Vendor has offered a successful buyer assistance

with relocation and/or personal inspection costs.
