Vessel Information

Description: 2008 SeaRay Sundancer 310 – Turnkey Comfort & Effortless Entertaining

Step aboard this beautifully presented 2008 SeaRay Sundancer 310, a standout entry-level sports cruiser that perfectly balances performance, comfort, and style. At 33 feet, she offers an impressive sense of space, ideal for weekends away or relaxed coastal cruising with family and friends. With just 275 hours on the engines and only 40 hours on the generator, this vessel delivers a “near-new” boating experience without the premium price tag.

Spacious & Versatile Accommodation

Below deck, you’re welcomed into a fully air-conditioned interior designed for comfort and practicality. The forward double berth provides a restful retreat, while the mid-cabin lounge easily converts into a second double with infill cushions. Privacy curtains allow for separation between sleeping zones, creating a true two-cabin feel.

Additional flexibility comes from the convertible saloon lounge, ensuring ample sleeping capacity for extended stays onboard. Generous storage throughout, including hanging lockers, keeps

everything neatly organised, enhancing liveability well beyond her class.

Entertain in Style

The well-appointed galley is equipped with everything needed for weekends or longer escapes, seamlessly complementing the social cockpit layout.

Upstairs, the cockpit wet bar, extended bimini, and full clears create a versatile entertaining space in all weather conditions. The addition of a stainless swim platform rail with a gas BBQ transforms the aft area into a true alfresco dining zone, perfect for entertaining at anchor or in the marina.

Effortless Handling & Confidence at Sea

Designed with ease of use in mind, this Sundancer is fitted with electronic controls, the Axius joystick docking system, and autopilot—making close-quarters manoeuvring simple, even for less experienced operators.

Recent major servicing further enhances confidence, including transom assemblies, manifolds, and risers completed in late 2021, a full service in June 2025, and recent antifoul and Prop Speed in November 2025. She presents as a well-maintained, turnkey package ready for immediate enjoyment.

Key Features & Recent Upgrades

- Twin low-hour engines (275 hrs) & generator (40 hrs)
- New Garmin touchscreen sounder/plotter

- Complete stereo upgrade with subwoofer
- 2 x new TVs
- 2 x Bushman fridge/freezers
- Extended bimini, clears & full covers
- Stainless swim platform rail with gas BBQ
- Underwater lights
- 4G WiFi onboard
- Axius joystick docking & autopilot
- New raw and fresh water pumps
- Recent antifoul & Prop Speed (Nov 2025)

This feature rich SeaRay Sundancer 310 represents exceptional value in today's market, offering the perfect blend of comfort, innovation, and ease of ownership.
