Description: 2022 Nimbus Weekender 9

Presenting in near-new condition, this 2022 Nimbus Weekender 9 is the perfect turnkey weekender for those looking to get out on the water in comfort and style. Combining Scandinavian design with impressive performance and practicality, she is ready for her next owner to simply turn the key and go boating.

Powered by a white Mercury 300HP Verado outboard, she cruises comfortably at 24 knots and can reach speeds approaching 40 knots at full sprint. Packed with upgraded factory options, this impressive vessel features teak decking throughout the cockpit and walk-around decks, underwater lights, twin 12" Simrad touchscreens, bow euro awning, blue wrapped hull, forward boarding ladder, removable canvas sunroof and much more.

Designed with entertaining in mind, the versatile cockpit layout easily converts from a spacious sunbed into comfortable seating for up to six guests around the fold-out dining table. A well-appointed wet bar includes a stainless sink, Isotherm fridge,

two-burner gas cooktop and integrated rubbish bin, creating the perfect space for preparing meals or serving drinks while enjoying a day on the water.

Below deck, the cabin is bright and inviting thanks to generous skylights and portholes, offering comfortable overnight accommodation for two with a large double berth. A private enclosed bathroom with toilet and sink further enhances the practicality for weekends away.
