Vessel Information

Description: 2005 Riviera M370 Sports Cruiser "Hollywood"

Step aboard this beautifully presented 2005 model Riviera M370, a standout example of one of Riviera's most popular sports cruiser. Having benefitted from extensive recent upgrades and meticulous maintenance, this vessel is ready for her next owner to enjoy immediately. Finished in timeless, modern colour tones throughout, she delivers the feel and presentation of a much newer boat.

A huge amount of work has recently been completed, providing peace of mind for her next owner, including;

- NEW clears, bimini top and rear awning (2024)
- NEW cockpit, helm and saloon upholstery with stylish blue diamond stitching
- NEW carpet throughout the saloon and cabins
- NEW Victron Energy battery charger and batteries.

The spacious rear cockpit is designed for effortless

entertaining and relaxed boating. The seadeck lined duckboard features a stainless steel rail and carries a 2.6m West RIB tender with Mercury 3.5hp outboard and cover, all illuminated by twin LED rear-facing spreader lights. Moving forward into the cockpit, also finished in sea decking, you will find a practical wet bar to port complete with sink and fridge with 32" TV above, while opposite is generous seating for up to six guests around a table, all enclosed with new storm covers for added comfort and protection.

The helm station is exceptionally well equipped with a 10" Garmin touchscreen navigation display, bow thruster for stress-free manoeuvring, rode chain counter and excellent visibility through the brand-new clears.

Stepping below deck, the Riviera's renowned layout provides comfortable accommodation for extended weekends away. The galley is finished with Corian benchtops and includes a sink, two-burner electric cooktop, microwave and additional 130L fridge. Opposite, the saloon presents beautifully with new grey carpet and freshly upholstered lounge seating for four, which conveniently converts into Pullman bunks to accommodate extra guests onboard.

Accommodation consists of two private cabins, both fitted with double beds, allowing the vessel to comfortably sleep up to six guests. The shared bathroom is well appointed with a Dometic toilet and separate shower, making extended stays onboard easy and comfortable.

Powered by twin Mercury 383 MAG engines producing 350hp each, the Riviera M370 delivers impressive performance with a comfortable 22-knot

cruising speed and sprint speeds approaching 30 knots. A 6kVa Onan generator supplies reliable 240v power for onboard systems and appliances, making this vessel equally suited to weekends away or extended coastal cruising.

This is an exceptional opportunity to secure a highly upgraded and well-maintained Riviera M370 that is ready to step aboard and enjoy immediately.
