Vessel Information

Description: 2024 Powercat 9000 Pioneer Fisherman Platinum
Series

Experience the pinnacle of offshore fishing luxury with this exceptional Platinum Series Powercat 9000. Combining the renowned ride quality, stability, and efficiency of a Powercat hull with premium appointments and cutting-edge technology, this vessel has been designed to deliver the ultimate fishing and entertaining platform.

Powered by twin Mercury Verado 350HP V10 outboards, she offers exhilarating performance with a comfortable cruise speed of 25 knots with a range of 350nm and an impressive top speed of 50 knots. Whether heading wide offshore, exploring coastal waterways, or enjoying a day on the water with family and friends, this vessel provides confidence-inspiring handling and remarkable capability in all conditions.

The helm station has been thoughtfully designed to provide maximum comfort and visibility. Equipped with Mercury Digital Engine Controls, Joystick Helm Master docking, twin Simrad 12-inch multifunction displays, twin wireless phone charging stations, and UHF radio communications, every

aspect of navigation and vessel control is at your fingertips. The wrap-around glass enclosure provides protection from the elements while maintaining excellent sightlines.

Aft of the helm is a versatile entertainment and fishing space featuring twin removable lounges that can be quickly transformed into a spacious cockpit for serious anglers. A well-appointed wet bar incorporates a sink, 65-litre refrigerator, and generous storage for tackle, equipment, and provisions, making extended days on the water effortless.

Beneath the helm station lies an impressive storage compartment accessed via a convenient side entry door or an electric front-opening hatch, providing secure and practical storage for gear and equipment. Forward, the bow features an additional removable seating arrangement, allowing the area to serve as either a comfortable social space or a dedicated casting and fishing platform.

Built with functionality at its core, the 9000 Pioneer Fisherman is loaded with premium accessories and fishing equipment, including:

- Minn Kota Trolling Motor
- Stainless Steel Rod Holders
- Stainless Steel Bait Board
- Rear Removable Bimini
- Breezeway Covers
- Forward Euro Awning
- Twin Solar Panels on hardtop
- Extensive Storage Throughout
- Premium Offshore Fishing Features
- And much more

Presenting an outstanding opportunity to secure a highly specified offshore fishing machine without

the wait time of a new build, this Powercat 9000 Pioneer Fisherman offers the perfect balance of luxury, performance, and practicality.

For those seeking a serious offshore weapon with exceptional comfort and versatility, inspection is highly recommended.
