Vessel Information

Description: 2015 Custom 70 Motor Yacht

A Stunning Fusion of Australian Innovation, Italian Design & Outstanding Performance

Finished in an elegant Aston Martin Silver, this exceptional 2015 Custom 70 Motor Yacht is a striking example of modern luxury, combining exhilarating performance, sophisticated styling and remarkable efficiency. Built specifically for the Australian market, she represents a unique collaboration between leading Australian marine architects, project managers and renowned Italian designers, resulting in a lightweight carbon fibre motor yacht with outstanding sea-keeping ability and impressive fuel economy.

Powered by triple Volvo Penta IPS engines with just 240 hours, she delivers exhilarating performance, reaching speeds of up to 40 knots while cruising comfortably at 24 knots. Even more impressive is her economical fuel consumption of approximately 168 litres per hour at 18knots —an exceptional achievement for a motor yacht of this size and volume.

Presented in outstanding condition, the vessel has recently undergone service and upgrade works in

June 2026, including engines, IPS drives and generator servicing, new batteries, new teak to the cockpit and mezzanine, repainting of the cockpit coamings and targa, antifoul to propspeed and replacement anodes. A new forward sunpad has also been ordered and will be installed shortly, ensuring the yacht continues to present to the highest standard.

Spacious Luxury for Extended Cruising

Designed with both owner enjoyment and extended cruising in mind, the interior offers generous accommodation for family and guests without compromising privacy or comfort. Four beautifully appointed cabins comfortably accommodate up to nine guests, complemented by a separate crew cabin accessed directly from the cockpit.

The full beam master suite provides a true retreat, complete with a walk-in wardrobe and an impressive ensuite featuring dual access, premium finishes and a spacious rain head shower. The remaining guest cabins are equally inviting, making this yacht perfectly suited to weekends away or extended coastal adventures.

The crew quarters provide additional flexibility, incorporating a single berth, private bathroom, ice maker and generous storage, allowing the space to be utilised for crew, additional guests or extra provisions during longer passages.

Elegant Living & Entertaining

The main saloon is bright, spacious and beautifully finished, creating an inviting atmosphere for relaxing or entertaining. A large electric opening sunroof floods the interior with natural light, while premium Italian leather upholstery, quality joinery and contemporary finishes reflect the yacht's luxurious character throughout.

A fully equipped galley fitted with premium German Miele appliances sits adjacent to the generous eight-person dining area, allowing effortless entertaining whether preparing casual lunches or formal dinners onboard. The comfortable lounge and integrated LED Smart TV complete an interior designed for both everyday enjoyment and entertaining in style.

Double opening doors seamlessly connect the saloon to the mezzanine and cockpit, creating one expansive entertaining area. Comfortable lounge seating, fresh teak decking and the extended swim platform provide the perfect setting for alfresco dining, relaxing at anchor or enjoying time on the water with family and friends.

An Exceptional Opportunity

Combining sophisticated styling, advanced carbon fibre construction, outstanding performance and luxurious accommodation, this Custom 70 Motor Yacht offers a compelling opportunity for buyers seeking a distinctive, high-performance motor yacht without compromise.

Exclusively listed with AMT Marine and currently located at Sovereign Island Marina, she is available for private inspection by appointment. Contact the experienced team at AMT Marine to arrange your inspection and discover everything this remarkable yacht has to offer.
